Hi Liz,

Tony only helps me create the SR's, he is not involved in the actual scheduling of pick ups, so no need to copy him on those emails. Thanks

Much Appreciated,

Hi Renee and Tony,

I need help for My SLO, Hebel Rodriguez who is out of Wilshire Division. These photos that are here show debris that the homeless left in the public right of way. It's blocking traffic on the Venice access road on the north side at Venice and Orange.

The homeless encampment is close by here but in another portion of the median. The SLO asked for help from LA San to have these items removed. Officer Rodriguez is willing to meet the truck or connect in any way possible to get this cleaned. He is copied on this email and his cell is 213-793-0715.

Can you please help us on this location at Venice and Orange, north side of the street?
Please include SLO Rodriguez as well.

With Thanks!

Liz

Hello Liz,

Here are the photos to Venice and Orange. My apologies for the delay. Hopefully sanitation can address this matter, as you can see trash is over flowing on to the street and is a hazard. Thank you
